

Council on Linkages Between Academia and Public Health Practice

Constitution and Bylaws

ARTICLE I. – MISSION:

The mission of the Council on Linkages Between Academia and Public Health Practice (Council) is to improve the performance of individuals and organizations within public health by fostering, coordinating, and monitoring collaboration among the academic, public health practice, and healthcare communities; promoting public health education and training for health professionals throughout their careers; and developing and advancing innovative strategies to build and strengthen public health infrastructure.

ARTICLE II. – BACKGROUND AND PURPOSE:

In order to bridge the perceived gap between the academic and practice communities that was documented in the 1988 Institute of Medicine report, *The Future of Public Health*, the Public Health Faculty/Agency Forum was established in 1990.

After nearly two years of deliberations and a public comment period, the Forum released its final report entitled, *The Public Health Faculty/Agency Forum: Linking Graduate Education and Practice*. The report offers recommendations for: 1) strengthening relationships between public health academicians and public health practitioners in public agencies; 2) improving the teaching, training, and practice of public health; 3) establishing firm practice links between schools of public health and public agencies; and 4) collaborating with others in achieving the nation's Year 2000 health objectives. In addition, the Public Health Faculty/Agency Forum issued a list of "Universal Competencies" to help guide the education and training of public health professionals.

The Council was formed initially to help implement these recommendations and competencies. Over time, the Council's mission and corollary objectives may be amended to best serve the needs of public health's academic and practice communities.

ARTICLE IV. – MEMBER ORGANIZATION RESPONSIBILITIES:

In order for the Council to meet its goals and corollary objectives, membership on the Council requires a certain level of commitment and involvement in Council activities. At a minimum, Council membership requires that:

- Each Member Organization (Organization) select an appropriate Representative to serve on the Council for, at a minimum, one year. Organizations are strongly encouraged to select Representatives who can serve for terms of two or more years.
- The Representative have access to and communicate regularly with the Organization's leadership about Council activities.
- The Representative be able to present the perspectives of the Organization during Council meetings.
- The Representative attend and actively participate in scheduled meetings and shall not miss two consecutive meetings during a given year unless the absence is communicated to Council staff and approved by the Chair before the scheduled meeting.
- Each Organization identify a key staff contact who will keep abreast of Council activities via interaction with Council staff, attendance at locally-held meetings, and/or regular contact with the Representative.
- During at least one meeting each year, Representatives present the progress their respective Organizations and members have made toward implementing and sustaining productive academic/practice linkages.

- Each Representative (or staff contact) respond to requests for assistance with writing and compiling Council documents and resources.
- Representatives and Organizations disseminate information on linkage activities using media generally available to the Council's constituency and specifically to the respective memberships of the Organizations.
- Upon request of the Council Chair, Representatives officially represent the Council at meetings or presentations widely attended by members of the practice and academic public health communities.
- Upon request of the Council Chair, Representatives assist Council staff with identifying and securing funding for projects, advocating Organizational support for specific initiatives, and serving on Council subcommittees.

If a Representative or Organization does not fulfill the above responsibilities, Council staff will first contact the Representative and Organization in writing. If a Representative fails to address the concerns—for example, in the case of chronic absenteeism at Council meetings—the Council chair may request that a new Representative be selected. Then, if a Member Organization consistently fails to perform its responsibilities after a written warning, Council staff will inform that Organization in writing that the full Council will vote on revoking that Organization's membership. If a majority of all Representatives vote to revoke an Organization's membership, that Organization will no longer be considered a part of the Council.

ARTICLE V. – Discussions, Decisions, and Voting:

A. The following overlying principle shall govern decisions within the Council:

Each Member Organization shall have one vote. Only Representatives or officially designated substitutes can vote. To designate a substitute, Member Organizations must provide the name and contact information for that individual to Council staff in advance of the meeting.

B. Discussions & Decisions:

Council meetings will use a modified form of parliamentary procedure where discussions among the Representatives will be informal to assure that adequate consideration is given to a particular issue being discussed by the Council. However, decisions will be formal, using Robert's Rules of Order (recording the precise matters to be considered, the decisions made, and the responsibilities accepted or assigned).

C. Voting:

1. Each Representative shall have one vote. If a Representative is unable to attend a meeting, the Organization may designate a substitute (or Designee) for the meeting. That Designee will have voting privileges for the meeting.
2. **Quorum** is required for a vote to be taken and shall consist of a majority of the Representatives or Designees of all participating groups composing the Council.
3. **Simple Majority** Vote will be required for internal Council administrative, operational, and membership matters (i.e.: Minutes approvals).
4. The Council will seek **Consensus** (Quaker style – No-one blocking consensus) when developing major new directions for the Council (i.e.: moving forward with studying leadership tier of credentialing). No more than one-quarter of

Representatives or their Designees can abstain, or the motion will not pass. Representatives will be expected to confer with the leadership of their organizations prior to the meeting to ensure that their votes reflect the Organization's views on the topic.

5. A two-thirds **Super Majority** of all Representatives will be required to vote on accepting or amending this Constitution and Bylaws.

ARTICLE VI. – COUNCIL LEADERSHIP:

One Representative will serve as the Council Chair. The Chair is charged with opening and closing meetings, calling all votes, and working with Council staff to set meeting agendas.

The term of the Chair is two years. There is no limit to the number of terms a Representative can serve as Chair. At the end of each two-year term, another Council Representative and/or the current Chair may nominate him/herself or be nominated for the position of Chair. To be elected Chair requires a majority affirmative vote of Council membership. In the event that there are several nominees and no nominee receives a clear majority of the vote, a runoff will be held among the individuals who received the highest number of votes.

To be eligible to serve as Chair, an individual must:

- have served as a Council Representative for at least two years; and
- have some experience working in public health practice.

ARTICLE VII. – MEETINGS:

The Council shall convene at least one in-person meeting a year. Funds permitting, the Council will convene additional meetings either in-person or via conference call. All meetings are open to the public.

ARTICLE VIII. – COUNCIL STAFF ROLES AND RESPONSIBILITIES:

The Council is staffed by the Public Health Foundation. Council staff provide administrative support to the Council and its Organizations and Representatives. This includes, but is not limited to:

1. Planning and convening Council meetings;
2. General Council administration such as drafting meeting minutes, yearly deliverables, progress reports, action plans, etc.;
3. Working with Representatives and their Organizations to secure core and special project funding for Council activities and initiatives; and
