

# Oral Health Care Advisory Group Meeting

Thursday, May 15, 2014

8:00 AM – 3:00 PM

Public Health Foundation Office

1300 L Street NW, Suite 800

Washington, DC 20005

## AGENDA

**Objective:** Finalize the Population Health Driver Diagram to Increase Use of Oral Health Care Services to represent the drivers for increasing the proportion of children, adolescents and adults who use oral health care.

### Morning Session

Welcome and introductions (with breakfast)

(Ron Bialek)

Background about driver diagrams and this initiative

(Ron Bialek, Jack Moran)

Population Health Driver Diagram to Increase Use of Oral Health Care Services

- AIM Statement and Goals

(All)

Are the goals stated appropriate for the Aim statement?

Are they achievable?

- Discussion of the Primary and Secondary Drivers

*Overview of Primary and Secondary Drivers*

(Ron Bialek, Jack Moran)

*Examination of Primary Drivers:*

(All)

Have we included the appropriate primary drivers?

Should any be modified, added, or removed?

*Examination of Secondary Drivers:*

(All)

For each of the primary drivers, have we included the appropriate secondary drivers?

Should any secondary drivers be modified, added, or removed?

*Review of Driver Diagram*

(All)

Are there any key drivers missing?

What improvements can be made?

### Afternoon Session

- Continue Discussion of Primary and Secondary Drivers

(All)

Using the Driver Diagram

(All)

- Can the driver diagram help facilitate discussions within a community for addressing use of oral health care services?
- Can use of this driver diagram help communities increase use of oral health care services?

The Driver Diagram is Complete. Now What?

(Ron Bialek)

*This meeting is sponsored by the Office of Disease Prevention and Health Promotion of the U.S. Department of Health and Human Services*
