

## **FUNCTIONAL JOB DESCRIPTION**

### **GENERAL INFORMATION:**

Civil Service Classification	Public Health Sanitarian I
Working Job Title (if different)	
Division	Environmental Health – Food Protection
Date Job Description Created	11/18/2013
Revision Dates of Job Description	
Job Title Changes (all changes since position creation)	

#### **POSITION DEFINITION:**

Responsible for performing field inspections of licensed retail food establishments (RFEs) and food service operations (FSOs) to enforce the Ohio Uniform Food Safety Code, and to protect the health of the public. Work may also involve investigation of complaints, risk assessments, and screening of potential clients. Position may be reassigned to other programs within Environmental Health as operational needs warrant.

## **ESSENTIAL FUNCTIONS:**

- Inspection and appropriate code enforcement of food service operations, retail food establishments, school inspections, and FOG (fat, oil and grease) inspections. Efficiently uses resources to mitigate health hazards.
- Document inspection records within the appropriate system (Envision Connect, files, correspondence, memoranda, reports and related materials).
- Train staff and operators as needed. Develops and provides educational programs and materials regarding safe food preparation, handling, and storage practices, or other environmental health related practices including, but not limited to, level 1 food safety training.
- Consult with internal/external experts and agencies, including, but not limited to, the Ohio Department of Health and the United States Department of Agriculture, regarding

food protection codes or practices, or other environmental health and safety codes and practices.

- Attend mandatory staff meetings; attend CEU classes and maintain RS/SIT licensure.
- If position is reassigned, work may include healthy home assessments, including lead hazard assessments and clearance testing, inspection of swimming pools, body art establishments, and other environmental health issues and complaints. These inspections may include screening and enrolling potential clients who meet specific grant or codified criteria. In a reassignment situation, the percentage of work in these areas may be up to 70% of the position's duty.

## PREFERRED QUALIFICATIONS:

Bachelor's Degree in Environmental Health or other science field.

## COMPETENCIES/KNOWLEDGE-SKILLS-ABILITIES (KSA's):
